

AUGUST 3, 1999

Published on FIDEL Soldier of Ideas (<http://www.comandante.biz>)

"The Revolution never hindered legal travelling from the country to the United States or anywhere else in the world. Successive U.S. administrations, on the other hand, have always encouraged illegal migration. Visas ceased to be a necessary requirement to enter the United States, without exception, regardless even of criminal records or crimes committed in the past; not a single illegal migrant was ever sent back to the country".
